

# Bulk Uplifts.....Are Back!

From **Monday the 15th June** the Association are reintroducing our bulk uplift service.

We know that during 'lockdown' many of you will have been giving your house a good clean out of unwanted items that are too big for the bin.

If you want to arrange an uplift then please call the Association on **0141 887 4053** and select **option 1** and our Property Team will arrange an uplift. You can also email us your uplift request to **admin@fpha.org.uk**

*When back up and running it may be a little longer in uplifting your bulk refuse than would normally be the case. This is due to backlogs of work and the impact of distancing requirements. We appreciate your patience and hope you understand*
