1. INTRODUCTION

- 1.1 The Association must demonstrate effective governance and sound financial management and must have a robust policy and procedural framework that complies with legislation, guidance and good practice.
- 1.2 Ferguslie Park Housing Association Limited's financial regulations are based on the following current management structure: -

- 1.3 The Association currently operates under the Charitable Model Rules (Scotland) 2013 which are the constitution of the organisation.
- 1.4 The standing orders of the Association detail how the business of the organisation shall be run and include delegated responsibilities, powers and remits of each committee or sub-committee.
- 1.5 The Financial Regulations detail Board and staff responsibilities together with details of generally accepted best practice. They form a part of the overall system of financial and management control and take account of the Scottish Housing Regulator's (SHR) Standards of Governance and Financial Management.
- 1.6 Compliance with the financial regulations is compulsory for all staff. It is the responsibility of section heads to ensure that all staff are aware of the existence and content of these regulations.
- 1.7 Training, periodic refreshers/updates for staff should be performed as and when required.
- 1.8 Nothing in these Financial Regulations shall override instructions from or conditions imposed by the Scottish Government, the Scottish Housing Regulator, the Financial Conduct Authority and the Financial Reporting Council Authority and any other appropriate statutory organisation or any current legislation. Nothing in the supporting financial procedures or policies will override the principles embodied in the regulations.
- 1.9 The financial procedures set out how these regulations shall be implemented.
- 1.10 A review of the regulations shall take place at least every 3 years, or earlier if deemed appropriate by the Chief Executive or the Board of Management.
- 1.11 A mini audit of adherence to the Financial Regulations shall be undertaken by the Finance & Corporate Services Manager twice a year. Findings shall be reported to the Board of Management for information and action.

2. BOARD OF MANAGEMENT RESPONSIBILITIES

- 2.1 The Board of Management has ultimate responsibility for all aspects of the Association's affairs. It is responsible for the leadership, strategic direction and control of the Association and for ensuring it secures good outcomes for its tenants and service users.
- 2.2 Statute requires the Board of Management to prepare financial statements for each financial year and it is the Board which is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association.
- 2.3 The Board of Management is also responsible for safeguarding the assets of the organisation and for taking reasonable steps to prevent and detect fraud and other irregularities.
- 2.4 Board members have a duty towards the Association, its staff, tenants, other service users and the community in which it operates. They must therefore seek good quality information and advice at all times and ensure their decisions are based on the same. This advice may need to be sought from external professional advisors where necessary. They must also ensure they have the skills and knowledge they need to be effective in their role. They must at all times seek to identify risks to the Association and mitigate the same.

3. STAFF RESPONSIBILITIES

- 3.1 The Chief Executive is responsible to the Board of Management for the implementation of strategic, policy and procedural decisions taken by the Board and the day to day management of the Association. The Chief Executive is also responsible for the promotion of the Association and for co-ordinating the activities of other Senior Officers. The Chief Executive is responsible for ensuring the Board of Management receives all information and relevant guidance and training which it requires to meet its obligations.
- 3.2 All Senior Staff are responsible for ensuring staff members within their section understand their respective roles and responsibilities and for monitoring their performance against the same. They must ensure they and their staff are open about, and accountable for, all they do. They are responsible for the security and control of all assets, cash and materials relating to their section. They are also responsible for managing the financial budgets allocated to their area of responsibility.
- 3.3 The responsibilities and duties of all staff members shall be contained within a suitable job description. The responsibilities and duties of any manager are contained within the relevant Minute of Agreement or Service Level Agreement.

4. ACCOUNTING

- 4.1 All accounting procedures of the Association shall be determined by the Association's Finance & Corporate Services Manager in consultation with the Chief Executive. These procedures must take account of statute, good practice and current guidance.
- 4.2 The format of the Association's financial records shall be determined by the Association's Finance & Corporate Services Manager in consultation with the Chief Executive and must take account of audit requirements, good practice and current guidance.
- 4.3 The allocation of accounting duties should where possible take account of segregation of duties and records should be regularly updated.

- 4.4 All accounting policies of the Association shall be contained within the annual financial statements and shall be reviewed annually as part of the approval of the financial statements. Accounting policies shall be presented to the Board of Management for approval out with this cycle when changes are made.

5. AUDIT REQUIREMENTS

External Audit

- 5.1 The external auditor will be appointed at each Annual General Meeting, following a recommendation by the Board of Management and in line with the Association's Rules and current statutory requirements.
- 5.2 The External Auditor will be appointed following a tendering process and in accordance with good practice the Association shall review its external auditors every 5 years unless the service level agreement dictates otherwise.
- 5.3 The role of the external auditor must be clearly detailed in an Engagement Letter provided by the external auditor that shall be reviewed every three years in accordance with good practice.
- 5.4 Preparation of the financial statements shall be undertaken by the Association's Finance & Corporate Services Manager. A year end timetable should be completed by the Finance & Corporate Services Manager and be agreed with the external auditor prior to commencement of the year end statutory audit. The financial statements must be in the required format and contain the report of the external auditor. In addition, the financial statements must contain a report from the Board of Management to include comment on past and future developments, together with a separate Board report on the systems of internal financial control.
- 5.5 Draft audited financial statements will be presented to the Board of Management for approval at an appropriate meeting. Final audited accounts will be adopted at the Annual General Meeting normally held in September.
- 5.6 Final audited and signed accounts will be submitted to the Scottish Housing Regulator (SHR), lenders, OSCR and to the Financial Conduct Authority within the required timescales following the financial year end.
- 5.7 A copy of the auditor's Management Letter and the Board's response to the Management Letter will also be submitted to the Scottish Housing Regulator within required timescales.
- 5.8 The external audit function shall be overseen by the Board of Management and, in line with good practice, the Board shall have a closed door session (with no staff present) with the external and internal auditor at least once a year.

Internal Audit

- 5.9 The internal auditor will be appointed to carry out a rolling programme of reviews of the effectiveness and application of internal controls and procedures, including an annual review of adherence to the Financial Regulations and Financial Procedures.
- 5.10 The internal auditor will be appointed following a tendering process and will be appointed for a maximum of three years (subject to an annual renewal of the appointment) by the Board of Management.

- 5.11 A rolling programme for internal audit shall be set out and agreed by the Board of Management based on current risk assessments. The setting of the internal audit programme shall take account of concerns or recommendations from the Management Team.
- 5.12 The Board will review all internal audit reports and progress reports and will monitor the implementation of all agreed actions within set timescales.
- 5.13 The internal auditor will have access to all locations, staff, records and physical assets necessary for the performance of their role. Staff will provide the internal auditor with any explanations necessary as part of their review. No limitations will be placed on the scope of their review. Any such limitations will be reported to the Board of Management as soon as is practical.
- 5.14 The internal auditor may be asked to participate or advise in discussions relating to the formulation and installation of new systems, controls and procedures. Final responsibility for such matters lies with the Board of Management.
- 5.15 The internal auditor may assist in the protection of the assets of the Association by carrying out regular reviews of operations in order to detect system weaknesses, inefficiencies, fraud, misappropriation and losses due to waste or maladministration. Final responsibility for such matters lies with the Board of Management.
- 5.16 The internal auditor will also monitor compliance with the Association's Financial Regulations and Procedures as part of their internal audit reviews. Final responsibility for such matters lies with the Board of Management.

6. FRAUD AND OTHER FINANCIAL IRREGULARITIES

- 6.1 The primary responsibility for the prevention and detection of fraud and errors rest with the Board of Management. The external auditor may plan the external audit in order to have a reasonable expectation of detecting material misstatements in the financial statements, whether caused by fraud or errors.
- 6.2 To assist in discharging its responsibilities in this area, the Board should receive reports from the internal auditor on all cases of actual or attempted fraud or bribery and consider whether internal controls require to be reviewed.
- 6.3 All matters in relation to fraud prevention, reporting, recording and associated matters are outlined in the Association's Anti-Fraud, Bribery and Corruption Policy.

7. BUSINESS PLANNING

- 7.1 The Association shall have in place a three-year business plan document which sets out the strategic direction of the Association. The Board of Management is ultimately responsible for the governance and direction of the Association and it is recognised that the business plan should represent a joint understanding by staff and Board of what the Association wants to achieve, the choices available and the key risks faced by the Association. The business plan shall therefore be produced by the Board of Management and the Senior Management Team in consultation with staff, tenants and other stakeholders as necessary and in line with the Business Planning Protocol.
- 7.2 The content of the business plan should recognise and reflect the current SHR's Business Planning Recommended Practice for RSL's. It should include:

- Vision and Values
- Profile of Association and achievements (including analysis of our customer profile, stock, rents, performance and asset management)
- Analysis of the Operating Environment (using PEST, SWOT and Risk Analysis)
- Strategic Objectives
- Annual Delivery plan
- Financial analysis (including scenario planning and sensitivity testing)

- 7.3 On an annual basis, the Chief Executive has delegated authority for the preparation of a detailed operational plan for the Association on behalf of the Board, within the framework of the business plan.
- 7.4 The Chief Executive shall produce an annual timetable to accompany the business planning process detailing the stages, processes and responsibilities in order to achieve the timetable.
- 7.5 The operational plan will set departmental performance targets and KPIs, and shall feed into the annual budget setting process and the Association's risk management procedures.
- 7.6 On at least a quarterly basis, progress against operational targets shall be reported to the Board of Management. These reports shall be supported by the management accounts, other section reports and the risk register to ensure all aspects of the business plan are linked together and operating effectively.
- 7.7 On at least an annual basis, the achievement of strategic objectives will be considered and reported to the Board of Management.
- 7.8 The Association shall take account of the SHR document on Recommended Practice-Business Planning produced in December 2015 in its business planning process.

8. APPROACH TO FINANCIAL FORECASTING

- 8.1 The Finance & Corporate Services Manager will assist with the preparation of long-term financial planning on behalf of the Association. The Senior Management Team and Board of Management will be involved in the process with the forecasts requiring approval by the Board.
- 8.2 Long term financial forecasts shall be prepared in accordance with timescales noted at clause 8.4 and shall be forwarded to all lenders (in line with loan agreements requirements) as well as external and internal auditors for information and consideration. Formal feedback shall be sought from all parties reading the assumptions employed and the financial outturns.
- 8.3 The Association prepares and submits 5-year financial projections to SHR in the prescribed format and within the relevant timescales, which have been presented to and approved by the Board of Management, all in accordance with existing guidance from the SHR. A copy of this information shall be submitted to lenders and the external auditor.
- 8.4 The Association shall undertake a review of its long-term projections on an annual basis in order to ensure that the projected annual position remains on target with the 30-year statement of comprehensive income, statement of financial position and cash-flow projections. A full and detailed business plan review shall be undertaken annually. Appropriate sensitivity analysis must be applied to the long-term projections with details being incorporated into the business plan document.

- 8.5 The content of the 30-year financial forecasts shall include the following information as a minimum:
- Details of main assumptions employed and source;
 - Statement of Comprehensive Income for 30 years;
 - Statement of Financial Position projections for 30 years;
 - Cash flow projections for 30 years;
 - Key performance indicators data and peer comparisons;
 - Covenant compliance schedules;
 - Appropriate sensitivity analysis;
 - Schedules for all income and cost information and assumptions; and
 - Supporting narrative to confirm an overview of the projected outturns, any areas for further consideration, any areas of concern and any actions required that flow from production of the final information.
- 8.6 While the overall responsibility for this information lies with the finance staff it is essential that an appropriate level of input from all senior staff is accounted for within the long-term financial plans. In particular, the areas of rent levels, rent increases, maintenance costs, staffing levels and costs and future development activity require agreed input.
- 8.7 Given the impact that inflation and interest rates may have on the expected financial position, the Finance & Corporate Services Manager shall seek information from lenders regarding future expected rates for these areas. In addition, any real cost increase assumptions should take account of lender and valuer advice. All assumptions made in the forecasts should be reviewed and agreed with the Board of Management.
- 8.8 The Finance & Corporate Services Manager shall produce an annual timetable to accompany the financial forecasting process and this shall take account of
- Provision of, review and agreement on future maintenance plans;
 - Provision of, review and agreement on rental, staffing and development assumptions;
 - Production of draft projections;
 - Executive team discussion, review and agreement of draft projections;
 - Reporting to Board of Management;
 - Provision of information to external parties; and
 - Feedback to Board of Management from external parties.
- 8.9 The importance of financial forecasting in relation to the Association's overall business planning process is recognised and timetables applicable to both processes require to be carefully aligned.

9. ANNUAL BUDGET

Preparation, Review and Approval

- 9.1 An annual budget must be approved by the Board of Management of the Association prior to the start of the financial year to which it relates. The setting of the annual budget forms part of the annual business planning cycle and will reflect the Association's current business plan, operational plans and longer-term financial forecasts.
- 9.2 This annual budget will comprise of:
- A clear statement of main assumptions and sources of information underlying the budget;

- Projected Statement of Comprehensive Income
- Projected Statement of Financial Position
- Projected Cash Flow Statement;
- Detailed capital budgets for all projects;
- Cash flow projections;
- Income and expenditure details;
- Cost allocation information;
- Appropriate ratio analysis;
- Loan covenant compliance performance; and
- Any summary narrative commentary necessary for a clear understanding of the budget

9.3 The budget will be prepared by the Association's Finance & Corporate Services Manager on a roll over basis each year, considering the prior year budget, year to date variances and any known changes linking to the Business Plan. The Finance & Corporate Services Manager will put in place a timetable which will take account of:

- Provision of budget planning information from budget holders;
- Review of planned, cyclical and major repairs to be undertaken in line with the 30-year plan;
- Submission of draft budget to senior staff and budget holders for review and approval;
- Submission of draft budget to Board of Management for review and discussion including the impact of any options or sensitivities where there is a potential material financial effect over the 12-month period;
- Amendments as a result of Board review; and
- Final approval of the budget by the Board of Management.

Budgetary Control

9.4 Once approved, the budget shall be regarded as the basis for authority to incur expenditure, subject to current Standing Orders, the Scheme of Delegation and any specific exemptions agreed with the Board of Management. It should be recognised that changes in circumstances may result in changes to budgeted expenditure. Such changes must be approved by the Board.

9.5 It is the responsibility of all budgets holders to control relevant budgets. Budgetary control will be assisted by production of quarterly management accounts and accompanying narrative reports comparing actual income and expenditure with budget estimates. The Finance & Corporate Services Manager will report on actual income and expenditure against budget on a quarterly basis to both the Management Team and the Board of Management.

9.6 The Finance & Corporate Services Manager will ensure that material variances (defined as variances exceeding 1% of turnover) are clearly explained within the narrative supporting the quarterly management accounts. Explanations of material variances will be sought from budget holders during the preparation of the quarterly management accounts where necessary. The Finance & Corporate Services Manager shall, using their judgement, also highlight any other variances where this is considered appropriate.

9.7 The quarterly management accounts should include the effect of likely future events on the financial position together with details of the currently projected financial position of the Association at the year-end. Cash flow monitoring and covenant compliance will form a part of the management accounts. A copy of the approved budget and quarterly management accounts will be sent to the Association's lender(s) and external auditor.

- 9.8 In circumstances of emergency, expenditure may be incurred beyond authorisation levels by obtaining the prior approval of the most senior member of staff on duty and the Chairperson of the Association (or Office Bearer in the absence of the Chairperson), who will consult the Finance & Corporate Services Manager, if possible, before agreeing to any request. Any such expenditure must be reported by the Chief Executive to the next meeting of the Board of Management for retrospective approval.
- 9.9 Senior staff should ensure that when reports are issued to the Board, the financial implications of any course of action should be fully detailed. The Finance & Corporate Services Manager should be consulted prior to any report that has material financial implications going to the Board of Management.
- 9.10 Monthly rental income and maintenance expenditure reports shall be produced by the Operations team and be circulated to all members of the Management Team. The finance team shall undertake a monthly review of the trial balance income and expenditure for the purposes of budget monitoring and shall maintain a budget variance file in order to advise of projected outturns at the year end.
- 9.11 The Chief Executive has authority to reallocate budgets between cost headings subject to a maximum level of £10,000.

10. CASH CONTROLS

- 10.1 Bank accounts held by the Association, details of authorised signatories and cheque signing details are contained within the Association's detailed financial procedures.
- 10.2 Procedures for the receipt of funds are detailed in Section 5 of the financial procedures.
- 10.3 A petty cash float not exceeding £300 shall be held for the purpose of making small payments and properly authorised expenses. The Finance Officer has day to day responsibility for petty cash payments. In the absence of the Finance Officer, the Finance Assistant will assume responsibility for petty cash payments. Petty cash procedures are detailed in the Association's financial procedures.
- 10.4 All bank accounts and petty cash accounts must be reconciled to the relevant books of account by the Finance Officer on a monthly basis. These reconciliations shall be reviewed and certified as accurate by the Association's Finance & Corporate Services Manager.
- 10.5 The Finance Officer shall make arrangements for the safe custody of all banking documents including cheques.
- 10.6 In the event of any supplier bank account being notified by e-mail the finance team shall contact the payee directly and request written confirmation of the change. Such changes must be highlighted on the next available BACS payment list and be checked by the Finance & Corporate Services Manager.
- 10.7 All incoming post must be opened by one member of staff and any cheques or cash received should be immediately given to the Finance department with the covering correspondence. The cheque or cash should then be banked as soon as possible by the Finance staff.

11. DEBTORS CONTROLS

- 11.1 The Association acknowledges the requirement to maximise income collection in order to generate as much income as possible via interest receipts.
- 11.2 Where external funding for projects is made available to the Association all grant claims must be submitted timeously in order to ensure receipt of funds prior to payment (where allowed) or as soon as possible (in line with grant offer conditions) after payment has been made.
- 11.3 Rental income payments are the main source of revenue income for the Association and operational procedures shall be reviewed regularly in order to monitor their effectiveness. A monthly report on rent arrears shall be prepared by the Head of Operations, be circulated to the management team (who should review and instruct any further action as necessary) and be reported quarterly to the Board of Management
- 11.4 All other sums due and outstanding to the Association shall be summarised within the quarterly management accounts. Such sums shall include insurance claims outstanding and chargeable repairs.
- 11.6 Procedures relating to rents and other income generating areas shall incorporate information on debtor control including the basis for monitoring and reporting sums due.
- 11.7 All amounts written off as irrecoverable must be formally reported on and approved by Board of Management prior to the balances being written off.
- 11.8 Responsibility for Debtors control within the Association is as follows: -
- (i) Rent Arrears –Head of Operations
 - (ii) Insurance Claims outstanding – Finance & Corporate Services Manager
 - (iii) Stage 3 Adaptation Grants outstanding – Property Services Manager
 - (iv) Other Grants outstanding – Finance & Corporate Services Manager
 - (v) All other sums due – Finance & Corporate Services Manager

12. ASSET CONTROLS

- 12.1 The originals of all title deeds shall be held in the Association's safe. The finance team will maintain a register of all title deeds and will confirm to the Board of Management on an annual basis that all title deeds are properly held.
- 12.2 The Association shall maintain a fixed asset register detailing all furniture, fittings and equipment and other items classed as capital assets, owned by the organisation. The register should detail acquisition date, disposal date, estimated useful life for depreciation purposes and cost. In addition, copies of invoices relating to each asset purchased shall be contained within the register, which may be held in electronic format.
- 12.3 The Association shall undertake six monthly reviews of the register to verify continued ownership and existence of these fixed assets. This task shall be undertaken by the Finance & Corporate Services Manager.
- 12.4 Equipment maintenance contracts and leasing contracts shall be entered into for such fixed assets as appropriate and a separate register shall be held by the Association. Details to be inserted on these registers include; service provider, start date, termination date, and asset being maintained/leased and cost. This register shall be updated on a quarterly basis by the finance team and held in an electronic format.

- 12.5 Details of any asset/equipment disposals, including details of sums received (if applicable), shall be reported to and authorised by the Board of Management.
- 12.6 The Finance & Corporate Services Manager will ensure a register of all properties owned by the Association is maintained and kept up to date. The housing properties register shall ensure the Association complies with the requirements of component accounting. The current housing register used by the Association is known as the component accounting spreadsheet.

This holds records of all housing assets by phase, split into relevant components. Component and property replacements and disposals, along with depreciation charges of housing property assets shall be updated on the component accounting spreadsheet in a timely manner. Invoices for all replacements are scanned and held on the SDM computer system. This task is undertaken by the finance team on a quarterly basis. These updates and the resultant monthly journal shall be reviewed by the Finance & Corporate Services Manager.

13. PROCUREMENT, CONTRACTS AND TENDERING

- 13.1 All works, goods and services will be procured in accordance with the terms of the Association's Procurement Policy.
- 13.2 Where necessary, quotations or tenders for goods or services will be obtained, according to the financial limits as detailed in the Procurement Policy.
- 13.3 Orders for works, goods and services will be in accordance with current procedures, in particular the budget limits and the regulations on Incurring and Authorising Expenditure.
- 13.4 All contracts entered into by the Association require the authorisation of the Board of Management. The signing of contracts shall be undertaken by those granted delegated authority by the Board of Management after the contracts have been authorised by the Board.
- 13.5 Where contracts for new-build or maintenance projects, or for annual services, provide for payment to be made by instalments, the finance team and relevant officer shall keep records detailing the position of accounts on each contract, together with any other payments and the related professional fees.
- 13.6 Payment to contractors, whether on account or the final account, shall be made in accordance with current procedures. The Finance & Corporate Services Manager shall meet regularly with the appropriate officer to monitor expenditure on contracts.
- 13.7 The Board shall be provided with quarterly updates on the progress of all contracts, including a summary of the position of accounts on each contract.
- 13.8 The Association shall take account of EU Procurement and Scottish Government thresholds as appropriate. When required and following approval by the Board of Management, a procurement consultant may be used to ensure the Association complies with all applicable Procurement legislation and requirements.

14. NEW PROJECTS

- 14.1 Prior to committing the Association to any new projects or activities a full options appraisal and financial assessment shall be carried out and reported to the Board of Management for consideration and approval.
- 14.2 In the event that the new project or activity results in a net financial cost to the Association then the overall impact on the Associations long term financial projections requires to be considered and reported on as part of the overall assessment report.
- 14.3 External specialist and legal advice shall be taken where appropriate.

15. BOOKS, REGISTERS AND COMPUTER DATA

- 15.1 As a minimum requirement the following books and registers must be maintained by the Association: -

- 15.3 All such books and registers together with other relevant papers or information may, where appropriate, be kept in an electronic format and must be securely stored when not in use.
- 15.4 In conducting its operations, the Association must comply with all aspects of GDPR. All such matters are the responsibility of the Data Protection Officer.

- 15.5 The Association's IT co-ordinator is the Finance & Corporate Services Manager. The systems administrator is the Finance & Corporate Services Manager and user responsibilities are noted within the Association's IT policy.

16. SECURITY

- 16.1 All Senior Staff are responsible for maintaining proper and adequate security at all times for buildings, furniture, equipment, and other assets, and any cash under their direct control. The Chief Executive is responsible for overall security and any risks to the Association must be notified to the Chief Executive immediately.
- 16.2 All information held on computer must be backed up on a daily basis and stored securely. It is the responsibility of the Finance & Corporate Services Manager to ensure this task is undertaken.
- 16.3 Access to computer systems must be restricted by the appropriate use of passwords which are prompted to change every 45 days.
- 16.4 The Chief Executive will ensure that there are adequate systems in place covering the security and use of all data (personal and sensitive information) relating to applicants, tenants, members of staff, contractors and of the public held either in electronic or paper format, to comply with GDPR and other appropriate legislation.
- 16.5 All current staff members are office key holders. The Association's cleaning company will also have a set of office keys. All personnel holding keys are responsible for their safe keeping.
- 16.6 The petty cash tin will be held in the office safe at all times unless in use. The keys to the petty cash tin are held by the finance team in a secure place.
- 16.7 Access to the safe is restricted to the members of the Finance department.
- 16.8 The safe is accessed by 2 separate keys and is situated in a locked cupboard
- 16.9 Under no circumstances should other staff members be given access to the safe or retain possession of the petty cash tin keys. In all cases petty cash and rent box keys must be retained in the possession of the authorised staff member who, under no circumstances, should leave keys unattended.
- 15.10 A register shall be maintained of all items held within the safe. Documents should be signed out when removed by an authorised member of staff and signed back in when returned. A regular check should be made by the finance team to ensure all items are present in the safe.
- 15.11 The loss of office, property or petty cash keys must be notified to the Chief Executive immediately.

17. INSURANCES

- 17.1 The Association's Finance & Corporate Services Manager shall arrange all insurance cover on behalf of the Association subject to the management team confirming cover requirements. Due to EU and Scottish Government Procurement rules the use of a specialist consultant may be required. The appointment of this consultant will be approved by the Board of Management.

- 17.2 All senior staff of the Association shall advise the Finance & Corporate Services Manager in writing of events likely to result in a change to the Association's insurance requirements.
- 17.3 The Finance & Corporate Services Manager, in consultation with the management team, shall review all insurances during the year and report to the Board of Management thereon.
- 17.4 The submission of all property insurance claims is the responsibility of the Operations team. All other claims shall be dealt with the Finance & Corporate Services Manager and the finance team shall record, monitor and control all insurance claims.
- 17.5 The Employer's Liability Insurance Certificate will be displayed in the public reception area for each place of business.
- 17.6 The Association shall ensure, prior to contracts commencing, that written agreement is received from external contractors that they shall insure and take responsibility for all works in progress. A copy of the insurance cover in place must be received by the Association in advance of such works commencing.

18. RISK MANAGEMENT

- 18.1 The Association's approach to managing risk is detailed within the Risk Management Policy.
- 18.2 All current activities, and proposals for new activities, will be subject to a risk assessment as specified in the Risk Management Policy and Strategy.
- 18.3 Where potential risks are identified the activity will be included in the current Risk Matrix together with measures to eliminate or minimise the risk.
- 18.4 The Chief Executive will provide the current risk matrix and a report to the Audit & Risk Committee at least every six months, providing an update regarding progress to mitigate the key strategic risks to the Association.

19. VALUE FOR MONEY

- 19.1 The Association shall seek to obtain value for money in terms of any fixed asset investments, its contractual commitments and in its day-to-day operational activities. Returns on investments shall be managed in line with the Treasury Management Policy.
- 19.2 The selection of an appropriate method of procurement, the use of tendering procedures, the selection of appropriate financing options and a balancing of quality and cost or other appropriate cost benefit analysis shall be undertaken by the Association in its decision-making process.
- 19.3 The Group procurement policy states that procurement arrangements will be monitored and reviewed to ensure continuing high standards and value for money are achieved.

20. TREASURY MANAGEMENT

- 20.1 The Association will comply with the Chartered Institute of Public Finance & Accountancy (CIPFA) Treasury Management in the Public Services: Code of Practice on Treasury in the Public Services (CIPFA) (2017 Edition)
- 20.2 The Association will create and maintain as the cornerstone for effective treasury management:

- A treasury management policy statement stating the policies objectives and approach to risk management of its treasury management activities
- Suitable treasury management practices (TMP's), setting out the manner in which the Association will seek to achieve those policies and objectives and prescribing how it will manage and control those activities

The content of the policy statement and TMP's will follow the recommendations contained in the code, subject only to amendment where necessary to reflect the particular circumstances of the Association. Such amendments will not result in the Association materially deviating from the Code's key principals.

- 20.3 The Association's Board of Management will receive reports on its treasury management policies, practices and activities, including as a minimum, an annual strategy and plan in advance of the year, a mid-year review and an annual report after its close in the form of prescribed in the Treasury Management Policy.
- 20.4 The Association delegates responsibility for the implementation and regular monitoring of its treasury management policies and practices to the Finance & Corporate Services Manager and for the execution and administration of treasury management decisions to the Board of Management.

21. TRAVEL, SUBSISTENCE & OTHER ALLOWANCES

- 21.1 All claims for payment of car allowances, subsistence allowances, travelling and incidental expenses shall be authorised and paid in accordance with the Association's policies and procedures on Board Members' and Staff Expenses.
- 21.2 All claims for payments of travel, subsistence and other expenses will require to be authorised in accordance with the current financial procedures.
